

We are delighted to announce that following the latest Government guidelines, Chá Com Água Salgada has reopened on 23th May, 2020.

The team at Chá Com Água Salgada has work hard to ensure the whole environment is adapted to the current circumstances and preserves the safety of our guests and staff. As always, our aim is to provide a world-class gastronomy experience for every one of our guests.

Providing a comfortable atmosphere has always been central to our mission, and in light of the new circumstances, , we have built a process to minimise risks at all times, and we ask that all visitors help us to keep both themselves and others safe, by recognising and respecting these new measures.

We also announce our take-away menu, that our clientes can order by calling us or or placing their order in person, providing that our guests can enjoy our gastronomy at home.

All bookings should be made in advance by contacting us by email chacomaguasalgada@gmail.com or by telephone: +351 281 952856.
